**TASB Risk Management Fund Partners with Scenario Learning  
for Online Safety Training**

*Texas Association of School Boards Risk Management Fund Members now have no-cost access to the SafeSchools and SafeColleges Staff Training Systems and a suite of 11 online safety courses*

**Cincinnati, Ohio** (Feb. 5, 2014) – [Scenario Learning](#), developer of safety and compliance solutions for schools and workplaces, and the [TASB Risk Management Fund](#) (Fund) announce a partnership bringing the SafeSchools and SafeColleges Online Staff Training Systems to the Fund’s 350 Worker’s Compensation Fully Funded Members in the K-12 and higher education markets. Members now have complimentary access to a suite of 11 award-winning online safety courses covering important school and campus safety topics.

The partnership is one of several ways the Fund is celebrating its 40th year of providing comprehensive and responsive risk management solutions that support educational excellence in Texas public school districts and other public educational entities.

“Safety in schools and colleges is at the heart of what we do, and this partnership will have a significant and measurable impact on safety for Fund Members in Texas,” said Scenario Learning CEO Brian Taylor. “The Fund is demonstrating tremendous leadership by spearheading this initiative, and we’re pleased our systems will be available to hundreds of their members throughout Texas.

All SafeSchools and SafeColleges online training courses are 100 percent school and college focused and written by leading safety experts. Using the training systems, administrators can also easily track training, monitor progress, download compliance reports and view or print certificates of completion.

The Fund handpicked 11 topics covering some of the most common types of injury exposures for members. Online training topics available through the partnership include

MORE

Back Injury Prevention; Electrical Safety; HAZCOM; Slips, Trips, & Falls; Bloodborne Pathogens; Students with Special Needs and more.

Members looking for additional training opportunities can upgrade to the entire SafeSchools or SafeColleges Training Course Library, at a discounted rate. K-12 members will be especially interested in the Texas-specific courses included in the full SafeSchools Training Course Library:

- TX HB 984 Health Emergencies: Diabetes
- TX SB 471 Child Abuse Prevention
- TX Educators' Code of Ethics

Fund Members who are ready to get started with SafeSchools or SafeColleges Training, should contact Scenario Learning at 1.800.434.0154 or [info@scenariolearning.com](mailto:info@scenariolearning.com).
